Our Products

Our Philosophy

As an Asian-owned brand, Plantea aims to make unique snacks and authentic flavors more accessible to a wider audience. Plantea's main product line is a collection of plant-based protein boba drinks. Boba drinks are cold-served beverages that include a tea base, milk or fruit flavoring, and tapioca balls. What dif-

ferentiates Plantea's boba drinks is that they're made with protein powder, sweetened with

monk fruit, and flavored with natural fruit extracts! Plantea's boba drinks are a nutritious alternative to regular boba drinks which often contain high levels of sugar and calories. At Plantea, we aim to provide the best versions of traditional snacks so that you can be the best version of YOU!
